Summer 00

## Publications

- P1 **Arkansas River Water Needs Assessment** (Notebook): Describes the legal and institutional, hydrological, and biological and recreational resource values that are of significance to the instream flows of the upper Arkansas River (420 pp). [Available in December.]
- P2 **Bureau of Land Management Strategic Plan, FY 2000-2005** (Booklet): Describes BLM's goals and how they relate to DOI goals and discusses program evaluations and consultations (84 pp).
- P3 **Public Rewards from Public Lands 2000** (Booklets): Highlights the public lands and resources managed by BLM and provides statistical and financial data pertaining to collections, transfers to the States, and commercial and recreational use of public lands (State versions, 24 pp each; national version, 108 pp). [Available in mid-November.]
- P4 **Uniform Catalog** (Catalog): Provides information on BLM uniform components, vendors, and appearance standards (20 pp). [Available in December.]
- P5 **Vehicle Operator Guidelines** (Booklet): Provides guidelines for vehicle safety and use (26 pp; 5-3/8 x 8-3/8).
- P6 **Walk on the Wild Side: Explore Your Public Lands** (Booklet): Introduces third through fifth graders to America's public lands through information and activities pertaining to science, geography, social studies, and the environment (42 pp).

## CDs

- CD1 **Status and Trends Publications of the Department of the Interior:** Presents information on the distribution, abundance, and health of the nation's plants, animals and ecosystems from the publications *Our Living Resources* and *Status and Trends of the Nation's Biological Resources*.

## Resource Notes

(available at [www.blm.gov/narsc/resnotes.html](http://www.blm.gov/narsc/resnotes.html))

- RN19 Ground Cover Dynamics in a Sagebrush Steppe Community
- RN20 The Use of Aerial Photography and Historical Records to Assist Land Managers
- RN21 A Newly Discovered Population of Arctic Char of the Kigluaik Mountains of Alaska
- RN22 Abandoned Mine Land Hazard Awareness: What is BLM Doing to Inform the Public?
- RN23 Wild Horse and Burro Population Viability
- RN24 Conservation Issues for Wild Zebra, Asses, and Horses in Africa and Asia
- RN25 Deciding Which Feral Horse Populations Qualify as a Genetic Resource
- RN26 Density Dependence in Population Dynamics of Feral Horses
- RN27 Genetic Variation in Horse Populations
- RN28 Genetic Management of Small Populations: the Special Case of Feral Horses
- RN29 Genetic Effective Population Size in the Pryor Mountain Wild Horse Herd: Implications for conservation genetics and viability goals in wild horses

# In The Works

- RN30 Population Viability Analysis - General Principles and Applications
- RN31 Methods to Collect Required Data to Develop Rigorous Population Viability Analysis (PVA) Models
- RN32 Development and Assessment of Tools That Managers Could Use to Monitor Wild Horse Populations
- RN33 Viability of Feral Horse Populations on Atlantic Coastal Barrier Islands: Implications for Management
- RN34 Effects of Contraception & Removal Treatments on Pryor Mtn. Wild Horse Population Demographics & Genetics
- RN35 Summary Recommendations - BLM Wild Horse and Burro Population Viability Forum, April 21, 1999
- RN36 Mine Revegetation in Nevada: The State of the Art in the Arid Zone
- RN37 Where Did All the Deer Go? Investigating the Disappearance of Habitat from Historical Photos in a GIS System
- RN38 Dealing With Holding Tank Wastes at BLM Sites
- RN39 Fire Effects Information System
- RN40 Equine Infectious Anemia: Implications for Public Land Managers and Horse Owners
- RN41 Design and Construction Specifications for Bridges
- RN42 Understanding GPS Technology: System History, Architecture, and Fundamentals

- Abandoned Mine Lands Guide (Web Document)
- A Guide to Managing, Restoring, and Conserving Springs in the Western United States (Technical Reference)
- Air Quality/Climatology (Posters)
- BLM California Coastal National Monument (Map/Brochure)
- BLM CERCLA Response Actions Handbook (Handbook)
- Eastern States Vantage Special Edition (Newsletter)
- Interpreting Indicators of Rangeland Health (Technical Reference)
- National Landscape Conservation System (Exhibit)
- Status and Ecology of the Western Pond Turtle in the Upper Klamath River, Oregon (Technical Note)
- Unexploded Ordnance—A Handbook for Land Managers (Handbook)
- Utah Wilderness Study Area Draft Environmental Impact Statement/Draft Plan Amendment—Southeast Region (EIS)
